

CONSCIOUS II project newsletter #6

 Proud to announce the completion of the **CONSCIOUS II** project – a 3-year journey dedicated to developing a **practice-based and pragmatic curriculum** for PhD students and early-career researchers. Focused on building essential knowledge and skills, CONSCIOUS II equips trialists of the future to design, conduct, manage, evaluate, and publish quality clinical research with confidence.

Thanks to all our partners – **Frances Shiely** from the University College Cork, Ireland, **Stéphane Mouly and Viktória Nagy** from the Université Paris Cité, France, **Joana Batuca, Sara Maia, Tiago H. Moreira de Oliveira, and Marco Painho** from the University NOVA Lisbon, Portugal, **Gábor L. Kovács, Robert Dudás, Tamara Végh, Zsófia Berta** from the University of Pécs, Pécs, Hungary, **Éva Takács, Annamária Németh, Balázs Bende** from the University of Széged, Széged, Hungary and **Jitka Rychlíčková, Zora Čechová, Kateřina Nebeská and Lenka Součková** from the Masaryk University, Brno, Czech Republic.

Thanks to our the CONSCIOUS II Associated Partner – **ECRIN, Christine Kubiak** and all her colleagues who reviewed all the curriculum materials and helped as to design a useful material.

Thanks to all contributors, reviewers, stakeholders, and participants who helped us to make this vision a reality. Here's to advancing clinical research education and supporting the next generation of research leaders!

Events, news:

CONSCIOUS II Autumn Course Successfully Held at St. Anne's University Hospital Brno

We are pleased to announce the successful conclusion of the CONSCIOUS II Autumn Course, held at St. Anne's University Hospital Brno, Czech Republic. Over 20 national and international participants attended onsite, engaged in hands-on learning, collaborative group sessions, and networking opportunities.

The first day featured interactive workshops focusing on regulatory and quality issues, pediatric clinical trials, and pharmacovigilance. Special thanks to Lenka Součková, Kateřina Nebeská, and Zora Čechová for delivering these insightful sessions. It was inspiring to see such a dynamic group of professionals come together to explore the latest advancements in clinical trial design, execution, and reporting.

On the second day, participants joined the CONSCIOUS II Multiplier event in the morning, which fostered discussions on education in clinical trials and clinical pharmacology. Later in the day, Joana Batuca and Stephane Mouly gave their valuable lessons on Trial management and Leadership for trialists of the 21st century, further enriching the experience for all attendees.

We are grateful to everyone who participated and contributed to the success of this event!

CONSCIOUS II Multiplier Event Held in Brno

On **September 12, 2024**, the [CONSCIOUS II Multiplier Event](#) took place in Brno, Czech Republic, alongside the **CZECRIN Annual Research Conference**, bringing together experts, researchers, and participants to disseminate the CONSCIOUS II project's outcomes and foster meaningful discussions on education in clinical trials and clinical pharmacology.

The event provided a unique platform for sharing experiences and best practices and digital competency development. It was an excellent opportunity to

highlight the achievements of the CONSCIOUS II project and its impact on enhancing clinical education across Europe. The presentations and discussions focused on innovative educational approaches, practical solutions, and emerging challenges within the field, helping to shape the future of clinical research.

Special thanks to all speakers and attendees who made the event a success. The participation of both national and international stakeholders enriched the conversation and provided ample opportunities for networking and collaboration.

[CONSCIOUS II Transnational Project Meeting in Brno](#)

On **September 13, 2024**, the **CONSCIOUS II Transnational Project Meeting** was held in Brno, bringing together all project partners for a productive working session. The meeting focused on reviewing the project's progress, discussing future directions, and planning strategies for sustainability and dissemination.

Partners exchanged valuable insights on expanding the impact of the CONSCIOUS II project and explored new avenues for collaboration. The discussions were pivotal in ensuring the continued success of the project and its contributions to clinical research education.

We are excited about the next steps and grateful to all participants for their commitment and input.

Do not forget to check new [interviews](#) with the individual authors of the pilot lessons.
